National HouseCheck welcomes Boise Realtor, Mandy Roberts, as Account Executive

BOISE, ID – National HouseCheck is pleased to announce the addition of Mandy Roberts as an Account Executive with the organization. In this role, Mandy will keep area Real Estate agents up to date and connected with all of HouseCheck's products and services, including home inspections and HouseCheck's Home Warranty program.

"We are delighted to welcome Mandy to the HouseCheck team," says Brandon Farrow, Vice President of HouseCheck Real Estate Business Development and Sales. "Mandy's extensive experience and expertise as well as her knowledge of the Boise Real Estate market are tremendous assets that will help meet the needs of our clients and ensure that HouseCheck continues to set the standard for exceptional service."

Mandy comes to HouseCheck with more than 19 years of experience in the Boise Real Estate market and is the owner of TruNorth Boise Premiere Real Estate. Mandy began her career in Real Estate in 1999, amassing a vast knowledge of the industry and helping to guide hundreds of buyers, sellers, and investors in a variety of residential and commercial transactions.

"This is a great opportunity to join an innovative organization bringing important and meaningful change to the Real Estate industry," says Roberts. "I'm looking forward to incorporating my experience with HouseCheck's mission and help to bring the highest standard of service to our clients and change the way people look at Real Estate for the better."

In addition to her many professional accomplishments in Real Estate, Mandy brings with her a passion for helping those less fortunate. Over the years she has helped to coordinate several fundraisers in support of children in need and aiding the homeless. In 2012 she started a charitable branch of her business that collects Christmas gifts for local teens in foster care.

Mandy holds a Bachelor of Science degree in Business from Boise State University as well as several digital marketing certifications with a focus on SEO, SEM, Social Media, Geofencing and more.
