### **HouseFax Relaunches Property History Report**

**New look HouseFax features enhanced and expanded information, timely reporting and refreshed look**

**BOISE, Idaho, May 7, 2019** -- National HouseCheck Corporation has announced the relaunch and visual rebrand of the recently acquired HouseFax Report - the trusted leader of property history information.

“The new and improved HouseFax will deliver a level of service, data and transparency to the real estate marketplace that simply is not available anywhere else,” says HouseCheck Chairman and CEO, Dennis Conforto. “HouseFax is a powerful tool in the HouseCheck family of services helping to create the most informed home buyers and sellers, and remove surprises from real estate transactions.”

The relaunch of HouseFax brings several enhancements to an already robust reporting platform, offering new features and capabilities as well as more data and transparency for real estate consumers and agents. Among the changes users can expect include:

- Mobile-first and responsive design to optimize user experiences across devices
- New data partners to deliver better, more accurate property history information
- Timely reporting of fire incidents — exclusive to HouseFax
- New HouseFax Report Value Plans to meet the high volume needs of real estate professionals

Says HouseCheck President and COO, Bill Klehm, “We are excited to bring a bigger and better HouseFax back to the real estate marketplace. We have put a lot of work into enhancing our already robust systems, creating an ongoing roadmap of information additions and ensuring HouseFax customers across the country continue to have access to the most detailed property data available.”

The relaunch is just the first in a series of enhancements planned for the new HouseFax. Please visit the new [www.HouseFax.com](http://www.HouseFax.com) for more information and experience all the changes for yourself.
